

The children here live in Zambia in Africa. Thanks to your prayers and sharing what you can with Mission Together, they have a home to live in. Spot the differences in the two pictures. Colour them in, then say the Mission Together Prayer for children everywhere.

Anna and her friends had no family. They had nowhere to live.

Mission Together helped the children. Today they live in a special house. The children have a House Mother who cares for them. She cooks their food and washes their clothes. Now the children go to school, play together and are safe and happy.

Maths Q: Their house is called 'Love'. There are 4 more special houses next to theirs that other children live in too. How many houses are there in total?

The children look after one another. Now the children are part of a family again. They know that they belong to God's worldwide family and that we are all brothers and sisters.

Think about children all over the world as you say the Mission Together Prayer.

May all children

In the world

Share love

Share friendship and live

In the peace of God's love

Now, and forever. Amen

**Anna is here with two friends.
Draw a circle around the eight
differences in the two pictures?**
