

The Ocean Home

Squid and lobster, giant whales,
Jellyfish, seahorses and fish with tails.
Sharks and walrus, oysters with pearls,
Cuttlefish and octopuses – see them twirl!

Crabs and sea snakes, electric eels,
Dolphins, orcas and clapping seals.
Mussels, swordfish, turtles in shells,
Starfish and clams hide in ocean swells.

All make their home in the depths below.
Dark and mysterious - there's lots we don't know,
So let's learn together, you and me,
About the creatures under the sea!
