

Mrs Clay's Y5 Thursday Maths Task: 7th May

Consolidating our Learning about Decimals:

I have uploaded a document called 'Record Breakers Decimal Problems'. It is made up of a series of problems which you need to solve by applying your learning about decimals. Work through as many as you can achieve in the time that you would normally spend on your home maths learning. Some of you may finish it all, others of you will not: I don't expect it to be completed. You may also decide to pick and choose which problems you solve: it does not have to be completed in order. The answers to each problem are on pages 7 & 8 of the same PDF file.

Mrs. Clay 😊
