

Our Wonderful World

WEEK 3 – World Wildlife

To get started

In this week's activities you will learn more about wildlife around the world and how we can care for them from home.

Planet Earth is home to every lifeform we know. We depend on each other. What types of animals live around the world? How can we care for the wildlife in our gardens?

The activities below will explore these questions and many more. We have also included useful resources with links, and below there are range of activities to suit all ages.

Some of the activities have associated worksheets and support materials which you will find on the school website. You can choose print, or just look at them on screen.

Look at the 'The World Wildlife' Presentation, it has lots of facts about some of the wildlife around the world.

Watch ask an adult to show you this short clip about our wonderful wildlife on our planet.

What's inside the Earth?

Bird feeder:

Activity ideas for All Children

- Use the World Map template and find out what animals live where around the world. Do you notice anything about the climate zones each animal live in?
- Holy Family Bird Watch- What birds can you spot in your garden, create a tally chart of how many you see
<https://www.rspb.org.uk/fun-and-learning/for-families/family-wild-challenge/activities/go-birdwatching/>
<https://www.rspb.org.uk/birds-and-wildlife/wildlife-guides/identify-a-bird/>
Report back to school with the birds you have seen for us to find out what birds are in our local area.
- Design your own wildlife animal. It could have a head of lion, body of a giraffe and a tail like a fish.
- Make your own World Wildlife booklet, you could use the facts you have found out from the video and the quiz.

Activities for how we can help the wildlife in our gardens:

1. Make a birdfeeder out of a loo roll see <https://www.woodlandtrust.org.uk/blog/2020/03/kids-nature-activities-self-isolation/>
2. Create a Minibeast hotel in your garden, use a range of natural resources from your garden to attract them. <https://www.rspb.org.uk/fun-and-learning/for-teachers/schools-wild-challenge/activities/homes-for-minibeasts/>
