

# Teacher notes

Time cards will be cut and shuffled. Children will select time cards and compare them using the words 'earlier' and 'later'. All time cards are afternoon / evening times so will use 12 o'clock as their start time.

## DEVELOPING

Children will select two time cards and complete the stem sentences using the words 'earlier' and 'later' to compare the times.

## SECURE

Children will select two time cards and write sentences using the words 'earlier' and 'later' to compare the times.

## MASTERY

Children will select two time cards and write sentences using the words 'earlier' and 'later' to compare the times. They will then progress to comparing three times.

For example: \_\_\_\_\_ is earlier than \_\_\_\_\_ but later than \_\_\_\_\_.

Example:

is later than

is equal to

6 o'clock

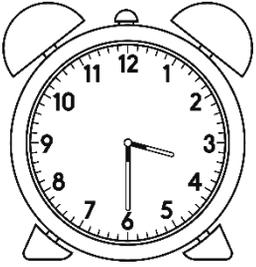

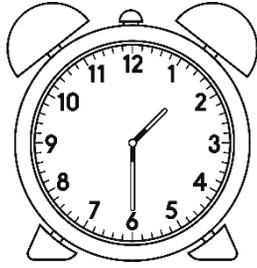

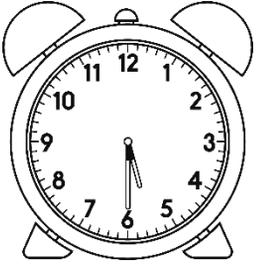

is earlier than

but later than

1 o'clock
