

Peace

Week 4

Dictionary definition of Peace

**Peace- Freedom from
disturbance; tranquillity
A state or period in which
there is no war or a war has
ended.**

Peace is when you are calm.
Peace is against conflict.
Peace is against evil.

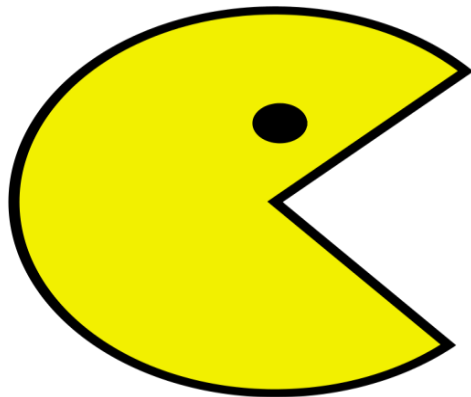

Scenarios in which you have to show peace:

You and your friend get into an argument, try your best to be calm so you don't make the situation worse.

Someone steals your sandwich at lunch. Keep your cool and do not start an argument, it will just make, what once was a little disagreement, into a fight. Remember, it's just a sandwich.

P stands for...
Paying
attention to
conflict and
trying to solve
the problem
without
making a
bigger one.

P

E

E stands for...
Even though it is frustrating, don't retaliate,
when feeling angry.

A stands for...
Always keeping the peace
between you and others.

A

A stands for...
Always keeping
yourself calm in
hard and
annoying situations
and arguments.

C

C stands for...
Conflict and
arguments. They are not
good to get into and
you should always try to
solve them.

E

E stands for...
Every day, making sure
you and others are
kind.
