

Please complete the bottom half of this page for our Year 2 display all about us. You need to stick a photo of yourself over the grey box and then write 2 stars and a wish about yourself.

The two stars are things that you are good at or you enjoy, e.g. I enjoy writing. I am good at Maths.

The wish is something you would like to get better at e.g. This year I want to write all of my letters the correct way round.

Please write in full sentences and use your best handwriting as this will be on display for the whole year!

Then bring it in on the first day of Year 2 and we will laminate and put it on the wall.

Stick photo of you here (please cover this box)
