

Memory Book Challenges Year 5

Thursday 16th July 2020

Today is Year 6 day! We are going to think about our transition into Year 6, where we will be the oldest class in the school. Moving on means that we have a chance to think about what we would like to achieve in our next school year. Mrs Holt will be your teacher and she is really looking forward to your enthusiasm, hard work and smiles- I have told her that you have plenty!
Enjoy your last full day in Year 5– work hard today.

TASK ONE

Mrs Holt will be your new

teacher in Year 6. I have told her lots of great things about you all. Your first task today is to write her a letter. Firstly introduce yourself to her, tell her a little bit about who you are and about your family. Next I would like you to tell her all about your strengths, all the things that you are good at, and the subjects you enjoy .Then tell Mrs Holt about the things that you find difficult, the things that you might sometimes need some help with.

Finally tell Mrs Holt all about the things that you are looking forward to in September. It is going to be a fabulous year– you are going to have so much fun.

TASK TWO

On your final piece of art paper I would like you to draw the things that make you happy in school. Think about all the things you have missed, all the things that make school a happy place to be. I found this drawing of happiness, I loved the colours and the way all the objects overlapped. Enjoy this task!

TASK THREE

. What does a Year 6 child look and act like? Complete the task sheet at the bottom of the page. Draw yourself in the middle of the page and then around the outside write all the things that you expect of someone in Year 6. Think of all the attributes that Mr Tindall and the staff at HFS will expect from you.

TASK FOUR

Draw around your hand– think forward to Year 6. Think of 5 things– one for each finger that you would like to achieve by the summer of 2021!
