

Solar System Mobile

You will need:

Solar System Printable

Crayons

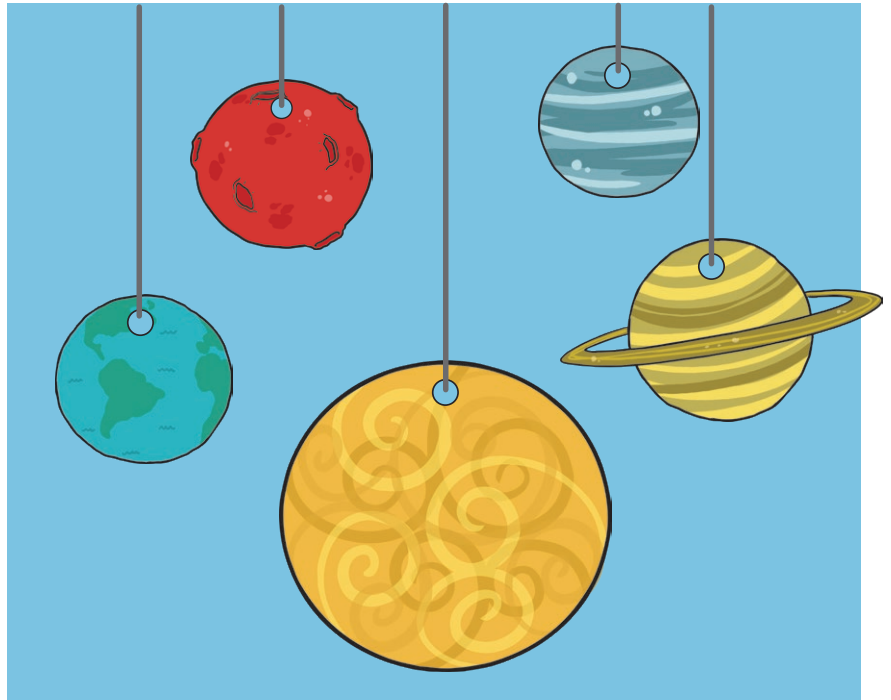

Scissors

Glue

Yarn or string

Hole puncher

Wooden dowel rod

Instructions

1. Color and cut out the planets on the Solar System Printable.
2. Use the hole puncher to make a hole at the top of each planet.
3. Attach yarn or string to each of the planets.
4. Tie the planets to the dowel rod.
5. Make a hanger using the yarn or string and hang your solar system mobile!
