HOLY FAMILY CATHOLIC PRIMARY SCHOOL

LOVE AND RESPECT

It has been another wonderfully busy couple of weeks at Holy Family, and I continue to be incredibly proud of the enthusiasm, curiosity and care that our children bring to school each day.

Over the past two weeks, our Gospel worships have encouraged us to think carefully about how we put our faith into action. We began by exploring the idea that actions can speak louder than words, thinking about God's "toolbox" and the tools we can use every day: kindness, helpfulness, forgiveness, patience, courage and love. The children were challenged not simply to say that they will make a difference, but to show God's love through the choices they make and the way they treat those around them.

This week, we built upon that message through our focus on Love and Respect. We reflected on Jesus as our cornerstone and considered the difference between respecting and rejecting others. Most importantly, we thought about how we can make sure that everyone in our Holy Family feels welcomed, noticed and valued. Our challenge has been a simple but powerful one: What actions can we choose that show love and respect?

Baby News

We had the best news this week- Mrs Hunter had a baby boy on Tuesday. He is called Kit and mum and baby are doing very well. We send them all our love and best wishes.

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

LOVE AND RESPECT

It has been wonderful to see so many examples of our children living this out alongside their learning. Across the school there has been so much to celebrate: vibrant science investigations as we celebrated Space Week; challenging thinking as Year 6 unpicked Scripture in RE; tremendous concentration from our Reception children as they learn their reading sounds; super similes appearing in Year 3 writing; and so much more. I am continually impressed by the hard work of our children and by the dedication, creativity and encouragement of the staff who make these opportunities possible.

A huge thank you to our parents and families, too, for responding so brilliantly to our Census Day last week. Your support really does make a difference to our school, and we are enormously grateful.

As we look ahead to another week together, our Gospel messages give us something wonderfully simple to carry with us. Let us continue to make our words count through our actions, choosing kindness over unkindness, respect over rejection, and looking for those small everyday opportunities to show one another that we are valued and loved.

Thank you, as always, for your continued support, and I hope all of our families have a restful and happy weekend.

God bless, Mrs Spacagna

Q A

Want to know more about Holy Family?

Holy Family Catholic Primary school is a vibrant, happy place where children are challenged to aim high, to reach for the stars and celebrate their God-given talents. Please visit our website to find out more or contact the school office to book a school tour.

CATHOLIC LIFE

SEASON OF CREATION

During the Season of Creation, we took time to reflect on God's gift of creation and our responsibility to care for our common home. Through prayer, worship and classroom activities, we explored how they can be good stewards of the Earth by protecting the environment, showing gratitude for God's world and making choices that support the wellbeing of people and planet. Inspired by Catholic Social Teaching and Pope Francis' call to care for creation, the children considered how even small actions can make a positive difference. Together, we continue to grow in our commitment to respecting, protecting and cherishing the wonderful world God has entrusted to us.

A BOWL OF PORRIDGE

To support the wonderful work of Mary's Meals, we will be showing an awareness in Porridge Day, helping children to understand how a simple meal can make a life-changing difference. Mary's Meals provides a daily meal in a place of education for some of the world's most vulnerable children, encouraging them to attend school and giving them the opportunity to learn and thrive.
At our celebration worship today we all received a small packet of porridge to take home. We hope this simple symbol will spark conversations about gratitude, compassion and how we can support those in need around the world. Through this experience, we are reminded that even small acts of kindness can have a big impact. Mary's Meals will be our Advent charity later this term.

PRAYER LIFE

THE ROSARY

Throughout October, the Church celebrates the Month of the Rosary, a special time dedicated to honouring Mary, the Mother of Jesus.

During this month, we will have opportunities to pray the Rosary together, reflecting on the important events in the lives of Jesus and Mary.

Through this beautiful prayer, we are encouraged to grow closer to Christ, deepen their faith and find moments of peace and reflection in their busy days.

This week, our children had the opportunity to visit our special Rosary Prayer Station in The Space.

With quiet music, prayerful images and a calm atmosphere, they were encouraged to spend time in reflection and prayer.

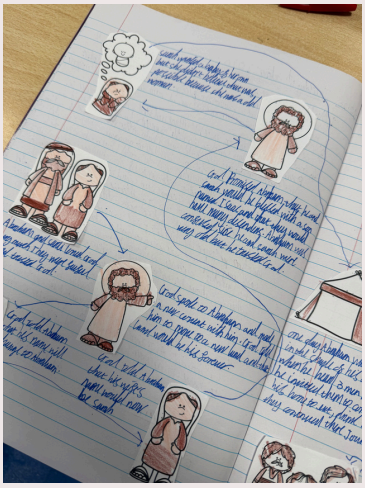

Key Stage 1 children used small statues of Mary, while Key Stage 2 children prayed using rosary beads.

The space provided a lovely opportunity for children to grow closer to Mary and deepen their prayer life.

RE TEACHING

A JOURNEY WITH ABRAHAM

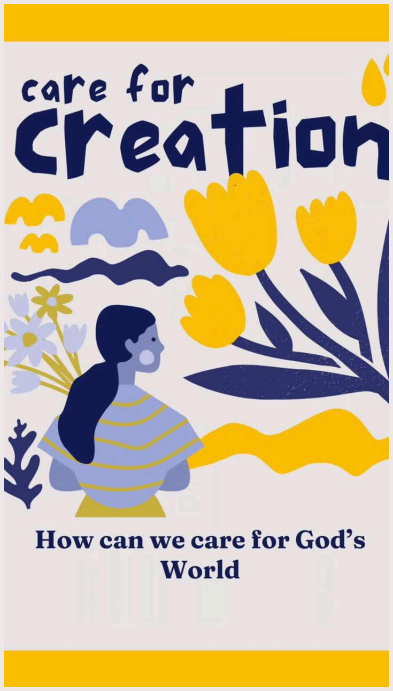

Year 4 have been continuing their learning about Abraham, exploring the special covenants God made with him throughout his life.

To deepen their understanding, the children created story maps to sequence the key events and promises within Abraham's journey of faith.

This helped them reflect on Abraham's trust in God and understand why he is such an important figure in the Old Testament. We were impressed by the children's thoughtful discussions and their ability to retell the story with confidence and detail.

STEWARDS OF CREATION

As part of their RE learning on Creation, Year 3 explored what it means to be Stewards of Creation. Inspired by God's gift of the world and guided by Catholic Social Teaching, the children reflected on their responsibility to care for our common home. They considered how small acts such as reducing waste, caring for plants and animals, and showing respect for the environment can help protect God's creation. The children were thoughtful and enthusiastic, recognising that each of us has a role to play in looking after the world for future generations. We are proud of the way they are putting their faith into action and living out their mission as stewards of creation.

SCHOOL NEWS

PUPIL PARLIAMENT

We are delighted to announce the next appointments of our pupil parliament groups for the year ahead. Following a fantastic response from everyone, representatives have now been selected for our School Council, Prayer Council, Eco Warriors, Reading Champions, Digital Leaders, One World Committee, Sports Leaders and Wellbeing Ambassadors.

These groups play a vital role in school life, helping to shape decisions, lead initiatives and make a positive difference within our community. We look forward to seeing our pupil leaders grow in confidence, responsibility and service as they work together to make Holy Family an even better place for everyone.

Our final group of pupil leaders will be announced next week- they wil recieve their badges and certificates in our Friday Worship.

Our first Pupil Parliament will take place on Thursday 15th October. We can't wait to share our ideas with you.

PE KITS

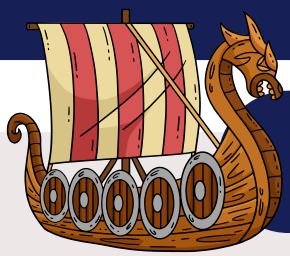

Our PE uniform is an important part of our identity as Holy Family learners. Our kit is designed to ensure the children are ready to give their best in PE lessons- a very important part of their weekly curriculum.

- Navy PE shorts
- Navy PE T-Shirt (see note below)
- Jogging bottoms (optional)
- *Fleece
- Black plimsolls or non-marking trainers
- White sports socks

Current yellow or blue & yellow PE t-shirts can be worn until a new navy one is required.

We are very short of our school sports kits. Please can you check if you have a school kit at home and then return it as soon as possible.

SCHOOL NEWS

A RESIDENTIAL WITH YEAR 5

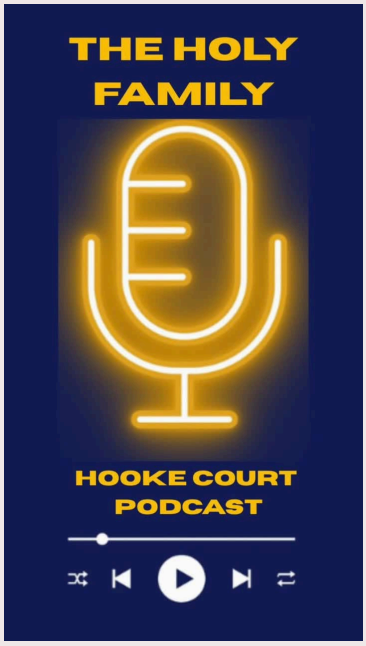

On Monday 28th SeptemberYear 5 embarked on their first residential adventure, spending two exciting nights at Hooke Court. The Viking-themed experience was packed with engaging activities that brought history to life. The children enjoyed making dragon boats, cooking traditional-inspired food and creating their own rune stones, immersing themselves in the world of the Vikings.

Throughout the trip, the children demonstrated excellent independence, enthusiasm and resilience as they embraced new experiences away from home.

On the final morning, they took part in a variety of team-building challenges and games, working together, encouraging one another and developing their communication skills.

It was a memorable experience for all involved, and the children returned with wonderful memories and a great sense of achievement.

Year 5 creatied their own podcasts all about the Vikings! They shared their favourite Viking facts, speaking clearly and confidently to engage their listeners. From fierce Viking warriors to longships and runestones, the podcast showcased the children's growing knowledge and enthusiasm for the Viknngs.

SCHOOL NEWS

LEARNING TO BE SAFE

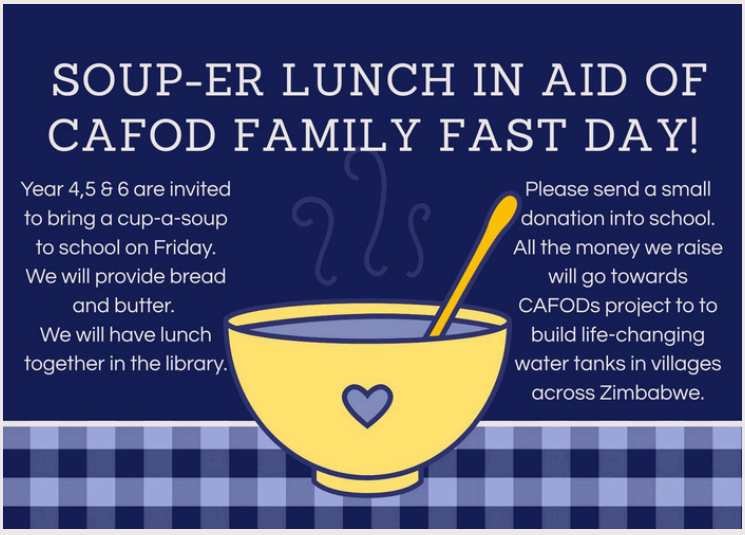

Year 2 had a fantastic visit from the Fire Service this week and thoroughly enjoyed learning all about fire safety. The children discovered how to stay safe when playing, what hazards to avoid, and what actions to take if there is a fire.

The session sparked lots of curiosity, with the children asking plenty of thoughtful and inquisitive questions. The children showed excellent behaviour, enthusiasm and engagement throughout. They particularly enjoyed sequencing the steps to follow in the event of a fire and practising 999 emergency calls with their partners. They were also fascinated to learn about the different jobs within the Fire Service and the various uniforms worn by firefighters and other crew members.

FAMILY FAST DAY

Next Friday we will have a visit from CAFOD, we will learn about the inspiring work CAFOD carries out to support communities around the world. Through a whole-school assembly and engaging workshops for Year 5&6, we will consider how we can make a difference by helping others.

The sessions will encourage thoughtful discussion about justice, solidarity and caring for those most in need.

To put their faith into action, we will hold a cake sale during breaktime to raise money for CAFOD's Family Fast Day appeal. We will also hold a "soup-er lunch" for year 4,5 & 6.

We are delighted to support CAFOD's work and demonstrate how even small acts of kindness can have a big impact on the lives of others around the world.

SCHOOL NEWS

HARVEST MASS

We are delighted to invite parents and families to join us for our Harvest Festival on Thursday 21st October. This special celebration gives us the opportunity to thank God for the gifts of creation and reflect on how we can support those in need within our local community.

As part of our celebration, each class will be collecting different food items, which will be donated to the St Vincent de Paul Society (SVP). Through these donations, our children will be putting their faith into action, showing kindness and generosity to others. We look forward to welcoming families as we come together in thanksgiving and share in this important act of service.

Reception- Baked beans, tomato soup, hotdogs, tins of tuna.
Year 1- Pasta
Year 2- Surface spray, toilet bleach, laundry detergent.
Year 3- Biscuits
Year 4- Coffee
Year 5- Boxes of cereal
Year 6- Jam, marmalade, chocolate spread

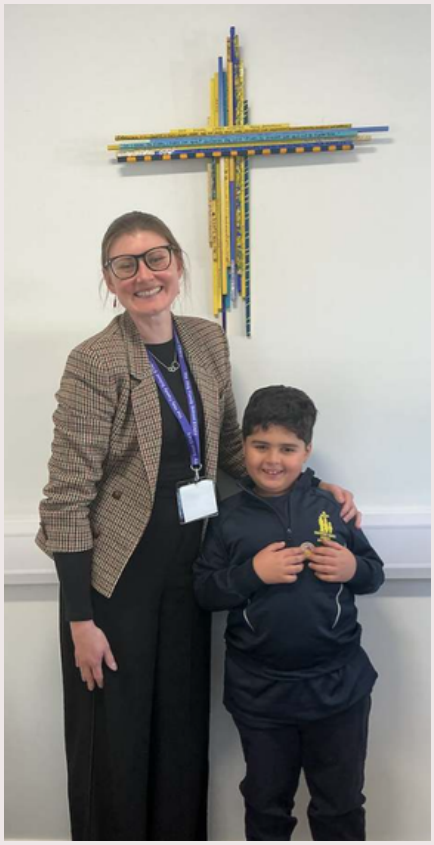

A VISIT TO MRS SPACAGNA

We love celebrating children who go above and beyond in their learning.

Throughout the week, children have been proudly taking their exceptional work to Mrs Spacagna to receive a special Headteacher Award.

Whether for outstanding effort, achievement or presentation, the children have been delighted to share their successes and are always incredibly proud to be recognised.

It is wonderful to see their confidence grow as they celebrate their hard work and dedication with the whole school community.

SCHOOL NEWS

BELONGING

As part of our staff INSET with other teachers from Xavier school, our very own Mrs Munnik led an inspiring session focused on the importance of belonging and how we can ensure every member of our school community feels valued, welcomed and connected.

Through discussion and reflection, staff explored ways to strengthen our culture of inclusion and nurture a sense of belonging for pupils, families and staff.

Together, we developed an action plan identifying practical steps to create even more opportunities for meaningful connections across our community, ensuring that everyone feels they truly belong at Holy Family.

THE SPACE CADETS

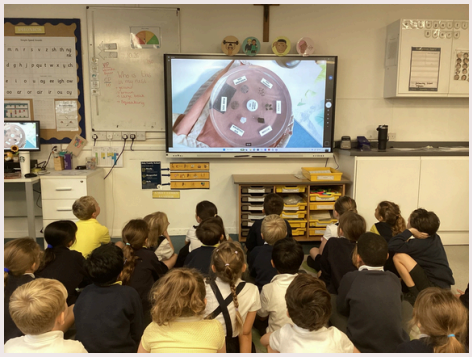

This week, Year 1 and Year 2 have had an amazing time celebrating Space Week!

We took part in a range of exciting activities, including space dancing, launching straw rockets, discussing what we would take with us on a trip to the Moon and designing our very own aliens!

The children showed fantastic creativity, imagination and curiosity as they explored the wonders of space through hands-on learning and fun challenges.
To finish each group performed their space dance and everyone was so proud of each other - great teamwork KS1.

SCHOOL NEWS

THE MOON LANDINGS

What a fantastic week we've had celebrating Space Week at Holy Family.

The children immersed themselves in a range of exciting space-themed activities, helping them learn about the wonders of our universe through fun and exploration.

A particular highlight was being able to 'Borrow the Moon', which was an incredible collection of lunar rock and meteorite samples for us to investigate.

The children were fascinated to see and hold real pieces of space history.

We have had the best time exploring space and learning more about the world beyond our planet.

Who knows, we may have inspired some future astronauts!

READ, WRITE, INC

If your child is in Year 1 or Year 2, they will be bringing home two Read Write Inc. books this week. Please keep these books in the plastic zip wallet provided and return them in your child's book bag each day. This helps us to change books quickly and ensure children always have the correct reading materials.

Children in the Red, Green, Pink and Orange groups will receive a new reading book every three days. Children in the Yellow and Blue groups will receive a new reading book every five days.

Thank you to all the parents who attended the Read Write Inc. parent information session on Wednesday with Mrs Osborn and Mrs Spacagna. It was wonderful to see so many families there and to share how we teach reading and phonics across the school.

For parents who were unable to attend, or for those who would like to revisit the information, please find the presentation below. Each slide includes a voice recording explaining the key points discussed during the session.

Intro to RWI for Parents.

SCHOOL NEWS

LET'S CHALLENGE OURSELVES

Over the last two weeks, Year 6 have continued to challenge themselves in their learning. In maths, we tackled long multiplication with confidence and even began exploring the dreaded long division! Despite the challenge, the children showed great resilience and determination, coming away with smiles on their faces and a real sense of achievement in their new skills.

To mark World Mental Health Day, we were delighted to work with Emma from Surrey Wildlife to create a beautiful piece of collaborative nature artwork. It was especially lovely to hear Emma share how welcomed and supported she has always felt by this class since first visiting our school two years ago.

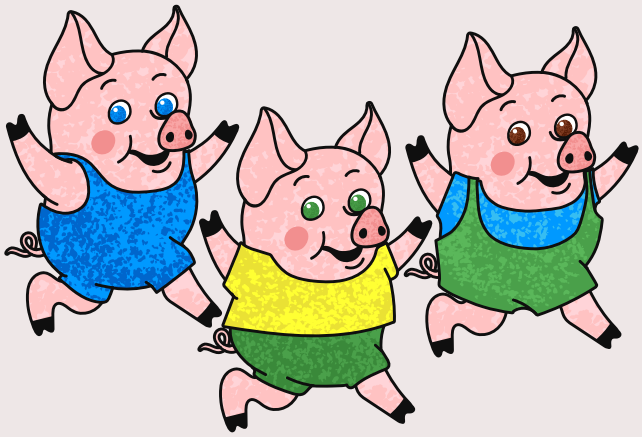

In RE, we have demonstrated thoughtful and mature reflections as we explored the life cycle of a T-shirt and considered the impact that consumer choices can have on God's creation. The children showed great empathy and a growing awareness of their responsibility as stewards of the world around them.

The excitement continued with Space Week, where we learned about the Apollo 11 mission to the Moon and even had the incredible opportunity to see a real piece of moon rock. It was a fascinating experience that inspired lots of curiosity and wonder about space exploration.

Year 6 have continued to show their fantastic attitude and what exceptional role models they are to the younger children in the school. Well done to all of them, and we look forward to 2 more exciting weeks of learning before half term.

NEWS FROM EARLY YEARS

LIFE IN EARLY YEARS

We have had a fabulous couple of weeks in Reception, enjoying some of our favourite stories, including The Gruffalo and The Three Little Pigs. These wonderful stories have inspired lots of exciting Literacy activities, from creating Gruffalo wanted posters to writing sorry letters to the Three Little Pigs.

The children have also been working hard in Phonics, learning lots of new sounds and beginning to blend sounds together to read words. It has been wonderful to see their confidence growing!

In Maths, we have been comparing two amounts and using the vocabulary 'more' and 'fewer' to describe different quantities.

Over the next two weeks, our topic will be Autumn. We will be sharing the stories The Leaf Man and The Leaf Thief, which we are sure will inspire lots of wonderful autumnal learning and activities. In Maths, we will be learning about 2D and 3D shapes.

NEWS FROM EARLY YEARS

IT'S BEEN BUSY!

This Friday, we will be sending the children home with an autumn bag. If you can, please take some time to enjoy an autumn walk together and fill the bag with lots of exciting natural treasures, such as conkers, autumn leaves, acorns and sticks. We can't wait to see what the children discover!

Pumpkins and Squash

We are also looking for pumpkins and squash in a variety of different sizes to use in our learning areas. If you would kindly like to donate one, we would be very grateful.

Junk Modelling

The children are really enjoying our junk modelling activities, so please continue to send in any clean, safe household junk that could be used for creating and building. Boxes, tubes, cartons and containers are always very welcome!

We are looking forward to another fun-filled couple of weeks of autumnal learning!

SCHOOL NEWS

SCHOOL UNIFORM- SEPT 2026

Following updated government guidance, we will be making a small change to our school uniform from September. In line with national recommendations, the school will move to just three branded uniform items, with all other items available as plain alternatives that can be purchased from high-street retailers.

This change has been made to help reduce costs for families while ensuring our uniform remains smart, practical and reflective of our school identity.

We would like to reassure you that existing uniform items will continue to be perfectly acceptable, and there is no expectation for families to replace items immediately. Any changes will be introduced gradually, allowing current uniform to be worn as it until it is outgrown. eg if your child still fits their yellow branded polo shirt they may still want to wear it. Moving forward please buy a PLAIN WHITE POLO SHIRT from any high street store.

A reminder that for PE all children should be wearing sports shorts like this- cycling shorts are not part of our school uniform policy.

SCHOOL UNIFORM UPDATE

There will be some changes to our school uniform policy from September 2026. This is due to new government guidelines regarding school uniform.

Branded items will be:
School tie (KS2)
School jumper or cardigan
PE t-shirt.

The above items must be purchased from our school uniform supplier.

KEY STAGE 1 UNIFORM

Boys- grey trousers or shorts and a white polo shirt.

Girls- navy blue pinafore and a white polo shirt.

PE- Navy blue PE shorts, tracksuit bottoms and fleece.

Branded items: School jumper or cardigan, PE top.

School coats should be plain and dark coloured (navy blue or black)

KEY STAGE 2 UNIFORM

Boys- grey trousers or shorts and a white shirt.

Girls- navy blue skirt and a white shirt.

PE- Navy blue PE shorts, tracksuit bottoms and fleece.

Branded items: School jumper or cardigan, PE top & school tie.

School bags and coats should be plain and dark coloured (navy blue or black)

SCHOOL NEWS

HOLY FAMILY FLAMES

Our Holy Family flames for September were:

Year 1: Tigerlily
Year 2: Reuben
Year 3: Maya
Year 4: Amelia
Year 5: Gloria
Year 6: Maddy
Headteacher Flame: Ana

CONGRATULATIONS

Congratulations to the following children who received awards at our Celebration Assembly this week:

- 6 Ana, Alice, Maddy & James
- 5 Tristen & Maddison
- 4 Declan, Gabriel, Arthur & Delilah
- 3 Evan, Felix, Mason & Ysabelle
- 2 Kamara, Jacob, Lacey & Beauden
- 1 Gio & Orlagh.
- R James, Suki, Charlotte & Advik

Celebration Assembly takes place every week on a Friday- Mrs O'Neil or Mrs Spacagna wear their sparkly jacket and we use "Celebrate Good Times" as our theme tune.

SCHOOL ROUTINE

SCHOOL GATE TIMINGS

Thank you for ensuring your child arrives at school on time. Being ready to start the day is so very important for each child's learning. Our school day begins at 8:40 when all children should be in class ready to learn.

All the teachers have an activity for the children to complete when they enter the classroom. This means learning starts as soon as the children sit down at their desks.

Mornings:
Open 8.25 AM
Close 8.45AM

Afternoons:
Open 3:05PM
Close 3:20PM

SCHOOL PENCIL CASE

All children in Key Stage 2 have been given a school pencil case- this means they do not need to bring a pencil case to school. This remains in school at the end of the day. The items inside the pencil case will be replaced by the classteacher as needed.

We have decided to do this as a cost saving exercise for parents (fancy pencils cases and stationery items can be very expensive). From a school perspective, the teachers will know that the children a prepared and ready to start the day. This is the only pencil case that the children will be allowed to use in the classroom.

Their pencil case will include the following items:

Pencil
Pen
Rubber
Ruler
Coloured Pencils
Highlighter
Whiteboard Pen.
Green Pen
Red Pen
Purple Pen
Gluestick.

We have had quite a few parents saying that they would like to contribute towards the coast of the pencil case. Mrs Rawlinson has set up a payment tab on Scopay where you can pay £10 towards the cost of a pencil case.

PTFA NEWS

OUR DEDICATED TEAM

We have a very active group who organise many events for our parents and children. Last year our committee is led by:
Chair: Niky (a year 4 parent)
Vice chair: Emily (a year 3 parent)
Treasurer: Nicola (a year 2 parent)
Secretary: Eva (a year 4 parent)
President: Mrs O'Neil
They are supported by a very hard working group of people who plan, organise and run events throughout the school year. If you would like to join our team please do speak to one of the committee.
Every single penny that they raise is spent on making our school an even better learning environment for the children.

PA NEWS

Our PTFA has a fabulous season of events planned for us all.

We would love to have your continued support.

SCHOOL NEWS

BEING READY, RESPECTFUL & SAFE

We continue to adopt the 'Ready; Respectful; and Safe' approach at Holy Family School, which we introduced to our pupils last year. This initiative is designed to foster a positive and supportive learning environment for all our children. We reinforce the language of 'Ready; Respectful; and Safe' in our daily practice, and we kindly ask for your support in this endeavor.

By referring to these values when talking to your children about school at home, you can help us create a consistent and unified message.

Thank you for your continued support in making Holy Family School a wonderful place for our children to learn and grow.

ATTENDANCE MATTERS

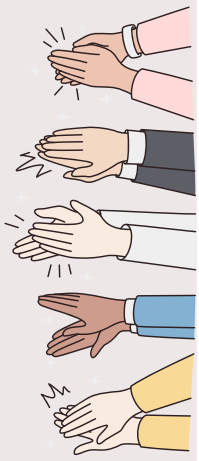

If your child is unwell and needs to be kept at home, you must call the school to inform us each day they are absent by 9am.

If your child is late for school you must accompany them to the school office to sign them in.

If we have not heard from a parent or carer regarding a child's absence we will follow our 'first day calling procedures'.

Our attendance for the whole school for 2024-2025 was an amazing 96.8%
Attendance for the Autumn term was 97.5%
Our class attendances for the Autumn term:

Reception: 96%
Year 1: 97.7%
Year 2: 98.6%
Year 3: 98%
Year 4: 98%
Year 5: 96%
Year 6: 96.2%

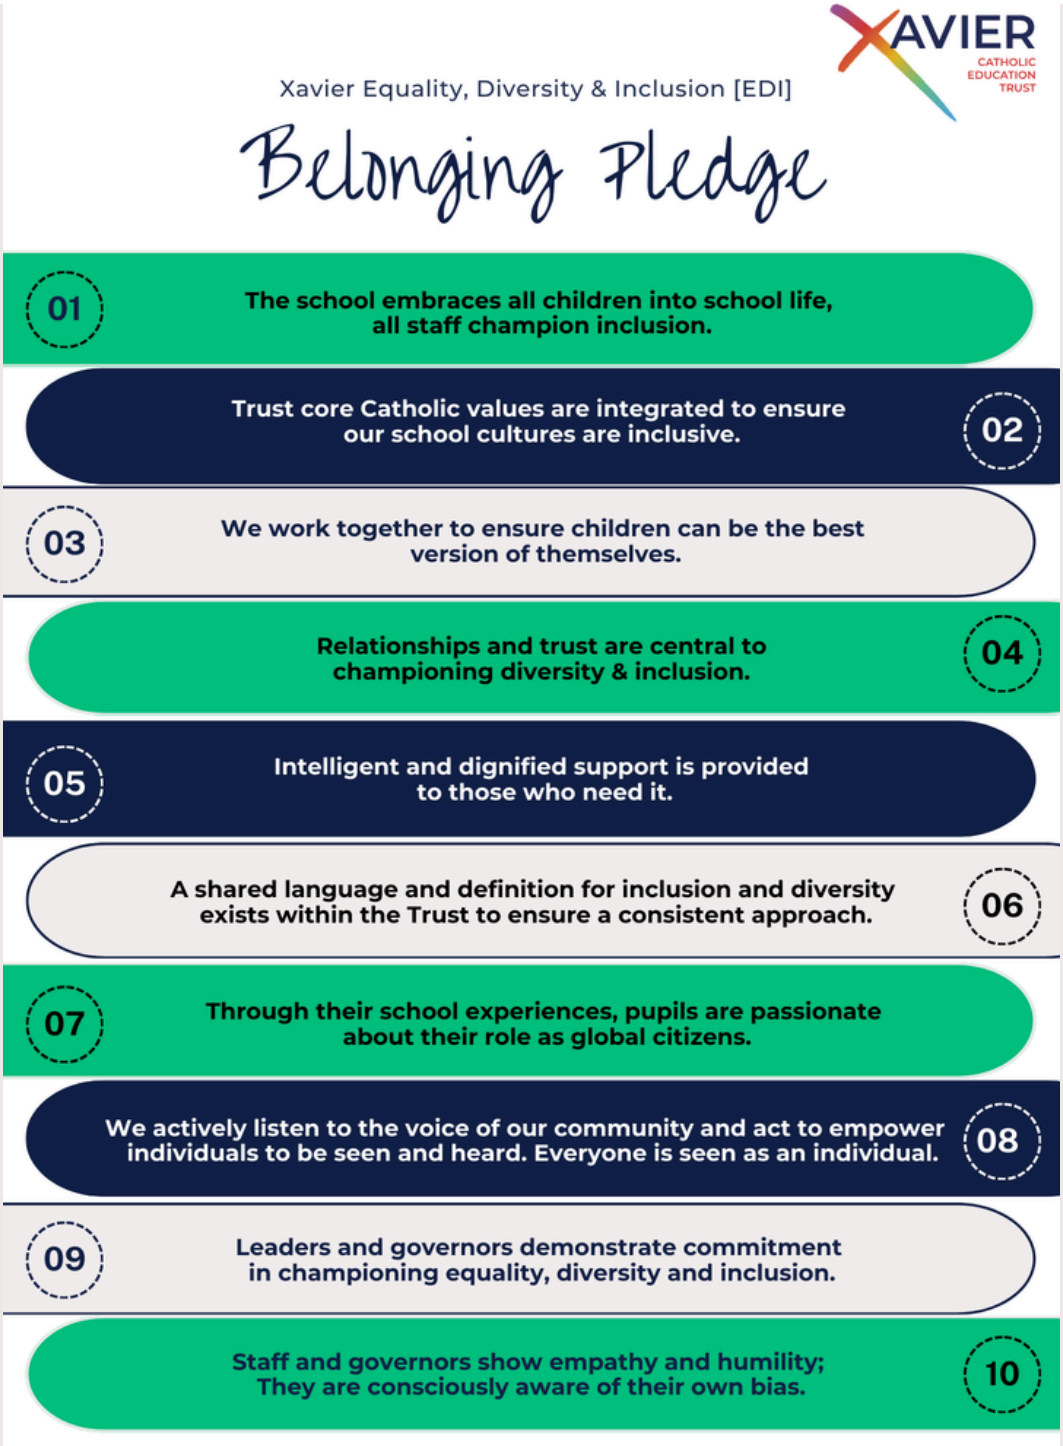

We also had 81 children who's attendance was 100%.

BELONGING PLEDGE

At Holy Family Catholic Primary School, we believe that every child deserves to feel valued, respected, and included. Our Belonging Pledge is a commitment to fostering a welcoming and supportive environment where all children can thrive.

By embracing diversity and promoting kindness, we aim to create a school community where everyone feels a sense of belonging.

Thank you for joining us in this important mission and for helping us build a more inclusive and compassionate school.
