Dear Parents

Children who make their own way home from School

To help us keep all children safe, we need to know which pupils make their own way to and/or from school, whether this is every day or only on specific days of the week. We are therefore asking parents and carers to provide signed permission to confirm these arrangements.

If your child travels to or from school independently on any day of the week, please complete and return the form below.

Yours sincerely,

Mrs Annabelle Spacagna

Headteacher
