

# Rhyming words from The Magic Paintbrush!

This game can either be played as bingo for up to 2 players - the first 3 pages are the players boards and the following 3 are the words to be read aloud.

Or this can be played as a matching game using all 6 pages. See if you can match all the words with their rhyming partners from the book or set yourself a challenge and face them all down on a table and see who can find the most pairs.

There are some tricky ones as not all the words have the same letters to create the same sounds!
