

Lunchtime Supervisors urgently required!

Due to 2 of our lunchtime supervisors moving on to alternative employment, we urgently require replacements to work between 11.50 - 1.00pm each day. We need 1 person to start immediately and a second person to start after October half term. An advert has been placed on ETeach but please contact Mrs Anniss or Mrs Skinner in the office if you are interested in filling these vacancies. Thank you.

Parent Force...we need you this year!

Firstly can I say a huge thank you to the small team of dedicated parents who came along during the summer holidays to help with the internal & external decorating. Despite their determination and commitment we did not get all the work completed so several tasks remain in need of addressing. We are not looking for skilled craftsmen, just people who can wield a paint brush or roller. Please contact the school office if you think you may be able to help this term. We do have two very exciting potential projects lined up for this academic year which will help transform the learning environment for your children if we are successful (more details to follow in due course) but do also require some help from within our school community. Please help us in any way you can...it does make a huge difference.

Xavier CET In-service Day - Friday October 5th

Just a reminder that school will be closed on Friday October 5th as we join our colleagues across the Xavier CET on a training day focused on high quality teaching & learning of foundation subjects (History, Geography, Art, DT, PE, music, drama)

School Uniform - please ensure it is labelled.

Please can I make another plea to ask you ensure all of your child's uniform is named. We do pick up a lot of items of clothing each week and are always desperate to unite them with their owners. We have a large number of un-named girls' cardigans in school collected over the course of last term and these garments are not cheap to buy.

Morning Routine

Following the successful implementation last year, we are once again continuing with the same morning routine for all children. Reception will continue to be dropped off at the classroom door. Year 1 to 6 can enter the school from 8.35am onwards and go straight to class without too much congestion in the corridors and cloakroom areas. All children should be in class for registration which begins at 8.50am.
