

## **School Dinners**

Our meals are cooked in our own kitchen and are of a very high standard.  
Please look at [www.itsTwelve15.co.uk](http://www.itsTwelve15.co.uk) for full details of school lunch provision.

Every child on hot lunches has the following choice each day:

Main Meal option	<b>M</b>	Vegetarian option	<b>V</b>	Third Choice option when available	<b>J</b>
------------------	----------	-------------------	----------	------------------------------------	----------

Special Diet option	<b>K</b>	<b>NB. K is only available to those who have completed a Special Diet request form</b>
---------------------	----------	--

Children can have a mix of school meals & packed lunches, so please enter the school meal choice code on the relevant days and then a "P" for packed lunch on any other days. Meal accounts for KS2 children must be in credit before you can order their meals (unless you have advised us that you are eligible for Free School Meals. Applications for Free School Meals should be made to Mrs Newlands in the school office at [lnewlands@holy-family.surrey.sch.uk](mailto:lnewlands@holy-family.surrey.sch.uk)

**The cost for school meals for September 2023 is £2.70 per day / £13.50 per week.**

If your child suffers from any allergies, ie. nuts or fish, is a vegetarian, or needs a gluten free diet you are required to complete a Special Diet Request Form in order that the kitchen can provide a suitable alternative meal. This form is available on our website [www.holy-family.surrey.sch.uk](http://www.holy-family.surrey.sch.uk) under Parents / School Meals. Kindly ensure a new form is completed and returned to the school office at the start of each new academic year.

## **Packed Lunches**

If your child will be bringing a packed lunch to school there are a few points to note:

As a school we currently have the "Healthy School" status. To ensure that we conform to this, children are not permitted to bring sweets or chocolate bars as part of their lunch (although small chocolate biscuits are permitted). Kindly ensure that if you want your child to have a sweet snack after their sandwich that it is a small biscuit or cake and that lunch boxes do contain nutritional foods. Also lunch boxes should not contain fizzy drinks.

Within the school we have several children who are allergic to nuts. We cannot as a school guarantee a nut free environment, as it is not always possible to watch over every item that is brought onto the premises, however, we would urge you to ensure that lunch boxes are free of items that contain nuts (ie. no peanut butter or cereal bars containing nuts). It would also help if you could impress on the children, as we do, not to share or exchange lunch items.

Your co-operation over these matters is much appreciated.
